

Dear Students,

As I have been receiving personal emails asking me to schedule the retake before/after below term and so on...

This is what I decided. The RETAKE (both practical and theoretical) will be held on 10Feb2017 at 10:00am in our Dept.

The date is officially placed in the retake session period (6-10Feb) as per WUM timetable available on the University website.

To face your demands I shifted it at end of the week, so hopefully you all manage to come back from home/trips/other staff.

Kind regards,
Marcin Padzik
